### French University of Tourism Summer School

Bringing together 13 higher education institutions, the French University of Tourism (AsTRES) will organize its first international summer school starting from June 25th to July 23th 2016.

Called "Tourism Destination Management: Learning from France", this program **in English** will take place in four famous French regions: Nice and the Riviera; Toulouse and Midi-Pyrénées; Angers and the Loire Valley; Paris and its region. It will draw upon the theories, research, and professional knowledge of a diverse team of professors and practitioners renowned in their respective fields.

Do you hold a bachelor degree or equivalent? Apply before May 15th 2016 to this high-level educational course!
