

## Brown Bag Lunch International - BBLI at the Cnam

### When, where, how?

The Department of European and International Development (DDEI) is honored to host a series of informal events once a month called "Brown Bag Lunch International" or BBLI. BBLIs are free to attend, but an RSVP is required via the form below.

Held on the first Tuesday of each month (and occasionally other dates), these gatherings will begin at 12:30 and end promptly at 14:00 in the Salon d'honneur of the Cnam.

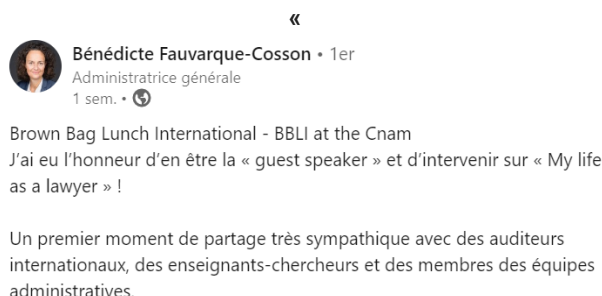

Everyone (except the presenter, informally known as the "bagger") is welcome to bring their own lunch, and the DDEI provides an assortment of soft drinks, coffee and maybe more...

The BBLI provides an informal opportunity for a bagger, an honorary guest speaker chosen among the Cnam's professors and visiting professors, to present key work, projects or new ideas to the audience. The Cnam's international students, adult learners, doctoral students, interns and staff are all encouraged to join the conversation, ask questions and provide their feedback.

### Save the date and reserve your place now to get the INVITATION
