Key dates of international development

- 1794– The Cnam was founded
- 1968– Creation of Cnam Center abroad (CCE – Centre Cnam à l'Étranger) in Lebanon
- 1975– Initiation of the Cnam Intec and INP-HB partnership in Côte d'Ivoire
- 2002– Creation of the [Institut International du Management](#) (IIM)
- 2003– First MBA in English at the IIM
- 2004– First international MA in Management at the IIM
- 2005– Creation of the CCE (Cnam center abroad) in Morocco
- 2008– Creation of the CCE in Madagascar
- 2010– Creation of the international relations department of the Cnam
- 2015– First international MA in Engineering sciences: Telecom-Network
- 2015– Creation of the CCE in Côte d'Ivoire
- 2016– Creation of the European Pole within the DDEI (International and European Development Department)
- 2017– Creation of the CCE in China
- 2021– Creation of 2 other international MAs in engineering sciences: Mechanics and Information Technology

Key figures

- 29 locations abroad
- 96 partnership agreements
- 149 training courses deployed abroad
- 7 international courses in France
- 7 865 students abroad (14.3% of total number of Cnam students)
- 3 500 international students and foreign students in France
- 116 foreign PhDs
- 35 theses under joint supervision • 9 ongoing European research projects
- 8 ongoing Erasmus+ projects

figures 2018

Operating mode

A networking and partnership approach

Department of European and International development
Address: 292, rue Saint-Martin case 4DREI1
F75003 Paris
