Our international strategy

Developing our network

The Cnam has a long-standing tradition of collaborating and forging partnerships with numerous institutions throughout the world.

Our established ties to these institutions have developed significantly over the last decade. As part of our international strategy we hope to strengthen our existing activities and expand our global network by forming new partnerships.

Our presence in Africa, the Middle East and Asia

The Cnam now has centres in Morocco, Madagascar, Ivory Coast, Lebanon and China.

Cnam centres abroad

Our strengths & areas of expertise

The Cnam has an extensive offer of apprenticeship programmes and sandwich courses

Well established joint degree programmes and double degrees with partner institutions

Opportunities to study Cnam programmes abroad

[Open Distance Learning courses \(FOAD\)](#) and virtual learning tools that allow students to study remotely at their own pace.

Optimal study conditions with innovative learning spaces (Immersive Learning Lab, Apprentilab)

Research-led teaching programmes

A long-standing prior experience recognition scheme (VAE) which enables thousands of applicants with relevant experience outside of academia to obtain professional certificates
