Le Cnam obtains the Erasmus+ 2021-2027 charter

The European Commission has awarded Cnam the renewal of its Erasmus+ charter for higher education, valid until 2027. Cnam's application was approved with the highest score of 100/100 by the Commission. This will enable Cnam and its entities to strengthen their active policy of international openness and to take full advantage of all the projects, programs and tools offered by this new accreditation.

In order to implement the projects to which we committed ourselves during our application submission, let's work together to promote Cnam's international reputation. For more information, visit this website ande the website of the European and International Development Department (DDEI) of the Cnam.
