FOAD (Open distance learning ODL)

The Cnam deploys numerous vocational and continuing diploma courses 'LMD' - License (bachelor), Master, Doctorate-diploma and/or certified courses (establishment-specific diplomas), up to a doctorate, class-room based, hybrid training and/or ODL, with foreign partner higher education establishments either within the scope of double diplomas or not.

MOOC (massive open online courses)

The Cnam has integrated in its blueprint, the development of MOOC for a mainly French-speaking population. This provides a complement in another form to the online diploma training. The Cnam MOOCs cover a wide range of subjects such as management and HR, social dialogue, occupational health, labor legislation, the internet, IT, mathematics, the building trade, fashion, criminology etc.
