

BIC FESTIVAL 2021

JMIN Master projects selected as finalists !

At the 6 edition of the Busan Indie Connect Festival ([BIC](#)), many projects made by our M1 and M2 JMIN (class of 2020-2021) were finalists. Check out the categories in which they were selected :

Bulle

«
*Finalist in "Excellence in Game Design", "Excellence in Casual",
"Excellence in Narrative" and "Rising Star"*

»

An interactive mobile game inspired by children's literature and graphic novels where you play as Bulle, a cinema employee who dreams of adventure and goes to the ends of the earth to become a forest ranger in a botanical park!

[Team \(M1\) around the project](#)
