INTERNATIONAL STUDENTS

Join the Cnam's 2024-2025 study programmes

Candidate now for the selected international study programs in France 2024-2025.

The Cnam is connected on Études en France platform. Online applications are already available or on the way to be available.

New programs totally taught in English are now open for application via Campus France or Études en France.

International Master in Computer Networks and IoT Systems - *Brochure*
International Master in Telecommunications and Networks - *Brochure*
International Master in Structural Mechanics and Coupled Systems - *Brochure*
Master Culture et Communication INSEAC - *Brochure*

Send your application as soon as possible and before mid-November 2023 to international@lecnam.net to be shortlisted for the Eiffel 2024 scholarship.

More programs open for foreign student candidates. Read more +

If you live in one of the countries and regions listed below, please connect to the Etudes en France platform: HERE
